FDA Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville MD 20857  
April 19, 1999

TO WHOM IT MAY CONCERN:

I oppose the Draft Memorandum being proposed by the FDA. In particular I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medication by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Besides limiting the citizen's right to obtain compounded medications, this action is very anti-small business, and small business is the backbone of the economy of the United States.

Sincerely,

*Ramona Moody French*
